CheckFire GROUP

DataSheet

The trusted go-to brand for fire extinguishers in the UK, Commander offers a comprehensive range of fire extinguishers. Now PFAS free across the entire range, time has proven the Commander range of fire extinguishers as a dependable choice for almost any situation – with reliable performance guaranteed.

WET CHEMICAL FIRE EXTINGUISHER

A wet chemical fire extinguisher is specifically designed for use on Class F fires (cooking oils and fats), making it the ideal solution for the demands of commercial kitchen and canteen environments.

This type of fire extinguisher works by creating a foam-like layer on top of the burning oil or fat, which cools the fire and suffocates the flames. The new Commander 6ltr Wet Chemical is PFAS-free and now boasts Kitemark certification.

Technical Specification	FX-WCH-006-DCF
Capacity	6ltr
Fire Rating	13A 75F
Extinguishing Medium	Wet Chemical
Working Pressure	12 bar @ 20°C
Temperature Range	0° to 60°C
